"The training I received from CMNCP gave a deeper understanding of the many ways in which a community safety plan can build a safe and cohesive community. The Rural Crime Prevention Training provides tools to identify what is working and what requires attention locally. Overall, I learned that when a community works collaboratively, safety and crime reduction follow" - Councillor Corinna Williams, Northern Sunrise County, Alberta

# RURAL CRIME PREVENTION & COMMUNITY SAFETY TRAINING

Join the Canadian Municipal Network on Crime Prevention (CMNCP) and partners for a virtual training session on crime prevention and community safety planning in the rural context. This one-of-a-kind training is developed and led by CMNCP, the only organization in Canada focusing on rural crime prevention from a multi-sectoral perspective. To date, CMNCP has trained over 400 participants in 150 communities across Canada.

## Duration

12-hour virtual training delivered over three 4-hour sessions

## Certificate

All training participants will receive a certificate upon completion of the training

## Cost

The training costs \$250 per community (up to two participants per community)
