

On October 21, 2020, the Municipal District of Spirit River's Council passed a motion amending the Private Lane Snowplowing Policy PWS.03. Snowplowing services will no longer be available to non-seniors and non-handicapped persons. The snowplowing service will still be available to the following persons at the following rates:

- i) Seniors – \$125.00 plus G.S.T.
- ii) Handicapped Persons – 125.00 plus G.S.T.
- iii) Spouses of Seniors and/or Handicapped Persons – \$125.00 plus G.S.T.
- iv) Dependants of Seniors and/or Handicapped Persons – \$125.00 plus G.S.T.

The Municipal District of Spirit River recognizes that there are private industry contractors local to the area that offer snowplowing services and do not wish to compete with these local services. The Municipality believes strongly in supporting local and hopes that residents hiring private contractor's will have their laneways plowed in a more timely manner than the Municipality could achieve as roads are the first priority.

A list of the local private snowplow contractors with their contact information is attached to this letter.
