

Municipal District of Spirit River No. 133

Canadian Navigable Waters Act

The Municipal District of Spirit River hereby gives notice that a submission has been added to the Common Project Search (online registry) pursuant to the *Canadian Navigable Waters Act* described herein and its description.

Pursuant to paragraph 4.1 and 9.1 of the said Act, WSP Canada Inc. has deposited with the Minister of Transport, on the on-line Common Project Search Registry (<http://cps.canada.ca/>) and under registry number 4631 a description of the following work:

Flood repairs are necessary to repair damage caused by flooding that severely affected the stability of Township Road 770.5. Flood repair involves placing fill material to restore some of the material lost from the flood damage. Rock riprap revetment will also be added to mitigate future erosion. The operations will be completed before the 2022 spring flows using typical construction equipment (excavator, haul trucks)

in, on, over, under, through or across Burnt (Saddle) River at Township Road 770.5. The work will be in River Lot (RL) 17, in SW-03-77-05-W6 and NW-03-77-08-W6M with work taking place east of Highway 2.
